

GSA 18F / EIGHTEENF-11

As a Consumer, I want to search for the most frequent events for a drug, so I can understand the risks and side effects.

Details

Type:	Story	Status:	CLOSED
Priority:	Medium / Normal	Resolution:	Done
Affects Version/s:	None	Fix Version/s:	Version 1.0
Labels:	None		
Story Points:	7		
Sprint:	Sprint 1		

Description

Overview

Link from the Consumers Menu option to a page that allows you to search for the most frequent events for a drug.

Use the data that is provided in the JSON format from the FDA.

Use the filters below drill information based on the drug.

Drug Name (Autocomplete):

- Brand Name (Medicinal Products)
- Seriousness (Selection):
 - Serious
 - Non-Serious

Seriousness Outcomes (Selection):

- Results in death
- Life threatening

- Caused/prolonged hospitalization
- Disabling/Incapacitating
- Congenital anomaly/birth defect
- Other medically important condition

Medicinal product (XML) – Valid trade name (If populated); otherwise verbatim used by reporter.

reactionmeddraversionpt (XML) MedDRA Preferred Term

Acceptance Criteria

Display a form that allows entry of a Drug Name (Auto Complete) and filter based on the following:

Seriousness (Selection):

- Serious
- Non-Serious

Seriousness Outcomes (Selection):

- Results in death
- Life threatening
- Caused/prolonged hospitalization
- Disabling/Incapacitating
- Congenital anomaly/birth defect
- Other medically important condition

Attachments

The screenshot shows a web application interface. At the top left is a logo consisting of a blue cross with green and yellow accents. Below the logo is the title 'Consumer' and a subtitle 'LOCAL SEARCH FOR THE CONSUMER EXPERIENCE'. A search bar is located below the subtitle. On the right side, there is a sidebar menu with the following items: 'All Products', 'All Services', 'All Locations', 'All Topics', 'All Brands', 'All Manufacturers', 'All Suppliers', 'All Distributors', 'All Retailers', 'All Wholesalers', 'All Importers', 'All Exporters', 'All Manufacturers', 'All Suppliers', 'All Distributors', 'All Retailers', 'All Wholesalers', 'All Importers', 'All Exporters'. At the bottom of the sidebar is a 'Log Out' button.

Time Spent:

6h

Create a URL - query to get all the medicinal products from the FDA data point that will be used as a sample list for the user. Set up the framework for JQuery-UI so the auto-complete functionality can be used on the search function. Design meeting to decide the structure of the website. Meeting to decide what data will be used to show the visualization.

 **Sachin Patel (SSA)** made changes - 24/Jun/15 03:18 PM

Summary

As a Consumer/Patient/Caregiver, I want to see the top 5 most frequent events for a drug, so I can understand the risks and side effects.

As a Consumer, I want to search for the most frequent events for a drug, so I can understand the risks and side effects.

 **Sachin Patel (SSA)** made changes - 24/Jun/15 03:18 PM

Description

Display the 5 most frequent events for a drug.

h. Overview

Use the data that is provided in the JSON format from the FDA.

Link from the Consumers Menu option to a page that allows you to search for the most frequent events for a drug.

Use autocomplete filter to drill information based on the drug.

Use the data that is provided in the JSON format
